“Mary Kurek has created a unique and easily implemented system for effectively organizing and utilizing your network of business contacts. Loaded with suggestions for identifying and then filling in the gaps in your network, Kurek’s book is a ‘must’ for entrepreneurs and professional women who recognize the importance of a dynamic network.”

- Carolyn Elman  
CEO, American Business Women’s Association (ABWA)

“*Who’s Hiding in Your Address Book?* is the bible for how to comprehensively arrange your network system to create miraculous results and increase profitability.”

-Jill Lublin  
Author of the bestsellers: ***Guerrilla Publicity*** and ***Networking Magic***

“Throughout our country, in survey after survey, we discover that one of the top three reasons a business joins their local Chamber of Commerce is for the opportunity to network and develop new business contacts. In ***Who’s Hiding in Your Address Book?***, Mary Kurek explains in simple, easy to understand language, how to expand and enhance your business network. A must-read for all networkers!”

- Chuck Ewart, Certified Chamber Executive,  
Faculty Member, U.S. Chamber’s Institute for Organization Management

“Networking is both an art and a science, and Mary Kurek approaches it from both angles. Her book ***Who’s Hiding in Your Address Book?*** is an outstanding resource. Don’t put it on your bookshelf; keep it within arm’s reach. We plan to make this book “required reading” for all the business people who participate in our Chamber’s Leadership program every year.”

- Mike Wagoner, President  
Carteret County Chamber of Commerce
